MARMER mengakar dari kata Yunani kuno *mármaron* yang berarti batu berkilau. Proses metamorfosis bertahun-tahun menghasilkan alur-alur unik yang tak pernah sama. Kilap yang muncul setelah dipoles juga merupakan pesonanya. Paduan kekuatan dan keindahan membuat marmer sering digunakan sebagai ornamen bangunan-bangunan penting. Kini kemewahannya bisa Anda nikmati lewat seperangkat peranti mandi nan menawan ini.

THE WORD 'marble' derives from the ancient Greek *mármaron* which denotes shining stone. Years and years of metamorphism process results in exquisite swirls and veins. Its lustre will shine out after intense polishing. Magnificent and strong, marbles have embellished the interior and exterior of many historical buildings. The luxury of marble is now yours to savour by this elegant bath set from Solution Export.
